PITTSBORO PARK LAND DONATED BY BARBER FAMILY

PITTSBORO, NC – Pittsboro's planned Town Park now has a little more land to work with. A gift of approximately 10 acres to the Town of Pittsboro was donated this week by the children of Agnes and Wade Barber, Sr.: Mary Hayes Barber Holmes, Betty Scott Barber Smith and Wade Barber, Jr.

The 10-acre parcel will be coupled with a \$500,000 grant from the Parks and Recreation Trust Fund to the Town of Pittsboro for creation of a future town park located within the Powell Place neighborhood off of Hwy 15-501.

"We heartily thank the Barber family for this generous donation to the Town and the people of Pittsboro," said Bill Terry, Town Planner. "The land they have donated will be available for the enjoyment of our residents and visitors for years to come."

East West Partners Management Company (www.ewp-nc.com) is a real estate developer of mixed-use residential and commercial communities in North Carolina. Headquartered in Chapel Hill, its major markets include the Research Triangle and Charlotte. For over 30 years the principals of East West Partners have been engaged in the community development business in the Carolinas and Virginia. Over the past 20 years East West Partners has developed more residential land than any other company in North Carolina.
